

INDUSTRY AND PUBLIC CONSULTATION NOTICE

Monday, 10th of November 2025

Industry and Public Consultation in relation to PE-ENV-07006 *Biodiversity Impact Assessment of National Road, Greenway and Active Travel Projects*.

Transport Infrastructure Ireland (TII) engaged SLR Environmental Consulting (Ireland) Ltd. to prepare a Standard Document entitled PE-ENV-07006 *Biodiversity Impact Assessment of National Road, Greenway and Active Travel Projects*. This Standard Document will set out the required approach for Biodiversity Impact Assessment of National Road, Greenway and Active Travel Projects. The document will also specify requirements in respect of the use of its Biodiversity Metric.

TII now seeks comments from industry and the public on a draft of this Standard Document.

The closing date for receipt of comments is 5pm on Friday, 23rd of January 2026.

Comments may be submitted via email to: EnvironmentalPolicyCompliance@tii.ie

or alternatively by post to:

Environmental Policy and Compliance Section, Transport Infrastructure Ireland, Parkgate Business Centre, Parkgate Street, Dublin 8, D08DK10.

Data Protection

TII processes personal data in accordance with its Data Protection Notice available at www.tii.ie

Freedom of Information and Access to Information on the Environment

TII is subject to the Freedom of Information Act 2014 and the European Communities (Access to Information on the Environment) Regulations 2007 to 2018. Submissions received as part of this industry and public consultation will, accordingly, be subject to the provisions of the Act and Regulations.

Publication of Industry and Public Consultation Report

Following this industry and public consultation a report shall be prepared and, subsequently, published on TII's Publications website. The report shall document: the comments received; the responses to these comments; and the actions taken (where deemed appropriate) in incorporating comments into the document. Personal information, including contact details and any commercially sensitive information, will, however, be omitted from any published extracts of submissions.

By making a submission under this public consultation exercise you are indicating your acknowledgement of and consent to the above.
