Total cost of installation (including parts, labour and exclusive of VAT)	€

Recharger Installation Details

Make	Model	Size	Quantity

By signing this Declaration of Works, the undersigned declares that;

- The recharging system (and, if applicable, battery system) has been installed and commissioned at the above Installation Address on the Date of Works Completion.
- The electrical installation has been installed in accordance with the National Rules for Electrical Installation and a Safe Electric certificate ('RECI cert') has been issued by a Registered Electrical Contractor for the electrical installation.
- I have completed an Inspection, Test and Commissioning Report for this installation and have given it to the applicant.
- I have provided the applicant with the required documentation to complete their claim application.

Section to be completed by the Applicant:

(Please note this declaration must be signed by the applicant)

Applicant Declaration

I declare that the works detailed overleaf have been completed to my satisfaction. I understand that where my total expenditure is less than the fixed grant amount then the lower amount will be the grant payment.

I understand that all works may be inspected by TII or its agents. I undertake to facilitate any reasonable request to conduct the inspection / audit process.
